

TERMS OF REFERENCE: CONSULTANT

We at TFE Consulting are looking for a very smart and highly driven candidate for a consultant position based in Munich. The candidate should have strong analytical and communication skills with the ability to thrive in a dynamic and challenging consulting environment.

ROLES AND RESPONSIBILITIES

- Demanding consulting projects with a focus on strategy, communications and business models across the energy, infrastructure and digital technology sectors
- Development of creative and analytically sophisticated solutions to clients' problems
- Focus on clients' business model transformation, new markets and growth
- Independence in work
- Very high standards of professionalism and ethics
- Team work

REQUIREMENTS ARE

- Masters degree
- Prior internships in consulting (full-time work is a plus)
- Professional German and English language skills
- Strong writing and presentation skills
- Strong analytical and networking skills
- Capacity to work independently in an entrepreneurial environment

WHAT WE OFFER

- Cutting-edge and challenging consulting projects
- Young, international and multidisciplinary team
- Inspiring and professional work environment
- Tremendous growth opportunity
